Notes:								
The department determined some projects are ineligible for SDWLP funds based on the Notice of Intent to Apply form or Priority Evaluation and Ranking Form received by 12/31/11. Ineligible projects are not included on the Project Priority List.								
¹ The priority project score for these Sanitary District projects may change after the SDWLP obtains median household income information from the U.S. Census Bureau for these communities.								
² Bluffview SD, Glidden SD and Chili SD median household information was obtained by the U.S. Census Bureau since it is considered a Census Designated Place (CDP).								
³ The department has not assigned priority scores to these projects; the municipalities must submit more information before the department can determine whether these projects are eligible for SDWLP funds.
